MBGFC PRESIDENT'S 2024/25 ANNUAL REPORT

The Year That Was

Well, you would have to say thank goodness for the yellow fin this season with marlin being few and far between particularly in our fishing grid area, with yellowfin 280 compared to 6 last seasons.

Although the total billfish is only slightly down 201 compared to 230 last year, the true reflection is that of those 201 billfish 51 were caught outside our area with many on the west coast. Another anomaly was shortbill spearfish up from 1 last season to 44 this season.

The leader board once again was hotly contested. Congratulations to the winners.

- Champion angler: Nicola Candy
- Champion Boat: Mile Zero

Some notable catches this season:

Again, Kelly Chambers needs special mention with a 10:1 catch of a 111.11 kg striped marlin on 10kg line.

As does the following: Asylum, 39 game fish mostly tagged and release, Mile Zero 30 game fish mostly tagged and released, Vamos 3 Junior club records and pin fish on 2kg, 3kg, 4kg, 6kg and Seasic 3 junior records. I am sure there are many other noteworthy catches and stories to be told.

The junior anglers really stepped up this season with 13 of 16 new club records going to juniors, this bodes well for the future.

Congratulations to all our new record holders, cup winners and pin certificate recipients.

Tournament Wrap Up

Majority of the tournaments went ahead as scheduled except for the No Bait Tournament which was postponed then cancelled due to weather, and the snapper interclub tournament also cancelled due to weather conditions.

Once again tournaments were well organised with good participation, a credit to the tournament convenors.

The return of the trailer boat was well received, with Garmin being naming sponsor for 3 years, and it is definitely on the calendar again in 2026.

A highlight this year was our centennial tournament - 100 boats all of which get their names on the cup base. Marlin only with no prizes, just competing to get your name on the trophy for the biggest fish and most points.

The Centennial celebration and prize giving was a fantastic night, 400 people attended with many in period dress and classic cars on display to add to the atmosphere, a presentation from the Boy Smith family of a 1950's club blazer in a glass case was very much appreciated.

Marlin proved a bit scarce with only 4 being caught, we had a very popular winner Bryce Hooton on Andiamo along with his skippers Bruce Ellwood and Chase Wotten and crew, caught the heaviest marlin 130.3kg (heaviest of the season) as well as a tag and release to get the most points as well.

With the success of the Centennial and the need for a marlin tournament the committee has announced a new tournament for the 25-26 season the MBGFC Offshore Classic (25 - 28/02/2026). Species will be marlin, broadbill swordfish, mahimahi and tuna, and prizes will be on a cash in cash out basis.

The Commercial Health of the Club

Like most businesses in Whitianga particularly hospitality, this year was a challenging economic environment to operate in.

There were three drivers that contributed to a recorded loss of ninety-six thousand dollars.

1. They were, reduced turn over 11 percent, costs of goods increasing squeezing margins and not receiving a significant income from the Kubota this year.
2. Operating costs have largely stayed in line with last year an increase of 7K, while despite new initiatives and best efforts the kitchen continues to make a significant loss.
3. The auditor requiring a provision for staff leave for the first time has added a 37k liability compared to last year and there is a non-cash provision of 27K for depreciation.

Our cash reserve currently sit at \$220,000. this only dropped 42k despite investing \$86k on capital items like a new oven and cook top for the kitchen and our catch master system.

The Club is solvent, and this remains within our policy of having 100k in reserves, but there is no doubt that we will be facing a challenging year ahead to make the books balance.

There will be a line-by-line review conducted with many smaller initiatives being considered and larger ones not ruled out.

There was a decrease in membership from 3366 to 2905 members which was pretty much in line with a decrease of day memberships from the Kubota.

Constitution

As I mentioned last year, in line with NZ Government Legislation we need to update our constitution to comply with the Incorporated Societies Act which comes into effect on 26 April 2026. Special thanks to a dedicated team led by Anne Smal VP, with Colleen and Damian Jaques, who put out a draft constitution for consultation. That consultation is now complete and the draft finalised. We are now seeking your support to adopt the new constitution at our AGM. Even if approved we will still be working under the old constitution for the next 12 months with the new constitution coming into effect September 2026.

Regulatory

The Hauraki Marine Park Legislation continues to slowly grind its way through Parliament, the formation of the two high protection areas (reserves) out from the Alderman Islands now seems inevitable.

We had a new threat to our right to fish when the Environmental Defence Society challenged the Waikato Regional Councils Coastal Plan, stating they believed that biodiversity wasn't given sufficient consideration, their remedy was to form high protection area's (reserves) around the Alderman islands, all of the Mercury Islands , Cuvier Island and the top of the Coromandel plus bits of the West Coast.

I believe we submitted a very strong argument against their proposal. We covered areas of social, economic, and environmental issues. A shout out to the New Zealand Sports Fishing Council whose submission we were part of as was the local Business Association, The NZSFC brought an expert witness marine biologist and legal support. I do not believe our case would have been anywhere a strong without their support.

Club Governance

We have been fortunate again this year to have a committee that understands fishing and wants to promote sport fishing but also understands their governance role.

Special thanks to our VP Anne Smal, her contribution to the club has been immense again this year.

PRESIDENT'S 2024/25 ANNUAL REPORT CONT...

Also, a big shout out to the retiring Committee members Anne Smal, Brad Johnson and Dave Enright, thank you for your contribution to the governance of the club.

A huge shout out to Warren Harris who is retiring from the role of Patron this year he has been a driving force behind the club for 25 years plus. Warren has held many roles including Committee Member, President, Patron, Weighmaster extraordinaire, MBGFC Life Member, NZSFC Life Member and mentor to many. Warren your contribution to the club over last 25 years plus has been immense, and very much appreciated.

Our Club Is Our Volunteers

As with any club there is a huge number of people that contribute to the success of a club. There is no question that for this club to function we need keen enthusiastic volunteers.

We held 12 tournaments this year. A huge shout out to the people who put their hand up to be tournament conveners, without them tournaments just do not happen! Tournaments are a huge part of our club's identity, and this role is not always an easy one.

We have 16 trained weighmasters who give their time freely, often when they would rather be fishing themselves. Thank you for your time, dedication, and integrity.

Also thank you to all the volunteers whether it be helping put up tents, selling raffle tickets or driving the courtesy van, you make the running of the club so much easier and contribute to the success of the club.

Sponsors shout out - Other key components of our club are our sponsors, your support is greatly appreciated as it allows us to make our tournaments more exciting and it keeps the club viable and able to focus on our membership. Our club sponsorship is provided in various forms, from our grid sponsors to leader board sponsors, tournament sponsors and general sponsors. I encourage you to know who these are and to support our sponsors when making retail decisions.

Our Commercial Team

I commented last year on our awesome staff and that is still the case this year. I would like to recognise the professionalism of our staff; we are truly fortunate with the calibre of staff we have.

We took the clubs yearbook in-house this year, thank you to all the people who contributed particularly Sarah and Caroline for putting together something I believe we can be proud of.

Thank you John our General Manager for your dedication during a challenging year.

Finally thank you to my wife Anne for her support, I know she has one or two ideas on how to fill my calendar after I stand down at the AGM.

A real privilege of this role has been opportunity to meet so many genuinely good people, way too many to name. Thank you all for your support.

Regards

Gordon McIvor

SHERRIFF DRAINAGE TAGGING CLUB

This year because the season was so good with broadbill in all our waters, we have incorporated this species into this year's draw. Therefore, the draw will consist of marlin and broadbill tagged and released in the clubs fishing waters.

A massive thank you goes out to Jason & Kirsten Sherriff from Sherriff Drainage, one lucky angler will take away \$2500, however, you must be present at Prizegiving to claim the money.

Congratulations to all the anglers that are in the draw.

WINTER TUNA TOURNAMENT

1st July – 31st August 2024

The Club's fourth winter tuna tournament attracted ten teams. This year prizes were for 1st – 5th place being the heaviest fish for boat counts towards prizes with an optional \$50 team sweepstake (add up weights of all fish weighed – winner takes all). The total prize pool money was \$2000 with sweepstake money being \$450.00.

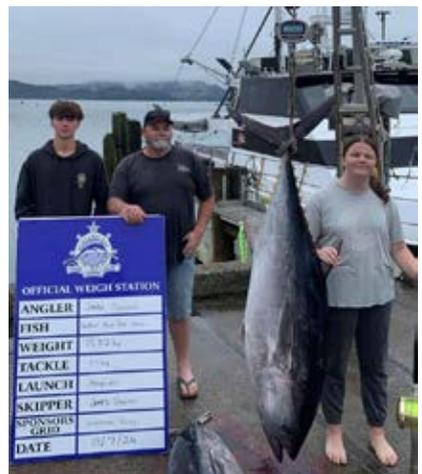

Asylum started well with the first two bluefin weighed in on the 18th July followed by Banter, Tenacious, Beerly Legal and Sirius the following weekend where majority of the fish were caught. Heading into August the blue fin were still in our fishing grid which was encouraging and we saw a few more boats enter.

In total, 11 bluefin tuna and 2 albacore were weighed – average weight being 46.329kg

Congratulations to the winners

*Graham Van de Laar,
First Place

LONGSHORE MARINE NO BAIT TOURNAMENT

1st – 30th November 2024

After a couple of postponements due to the Weather, we decided to change the duration of the competition to be the full Month of November. This created the chance for many more potential fishing days. The competition was enjoyed by 13 boats with 27 anglers with some great fish caught. A big congratulations to the winners and as always, a huge shout out to our sponsor Longshore Marine for their support.

SUZUKI TOP TEN TUNA TOURNAMENT

December 1st 2024 – January 31st 2025

This tournament was extended to two months of the club's 2024-25 season calendar, to negate the unpredictable weather we have experienced this time of the year.

The yellowfin didn't disappoint and were back with vengeance seeing 29 boated. 35 teams entered with 8 teams taking a share of the cash prize pool.

Thanks to Suzuki and Pacific Coast Marine for their generous support of the tournament, with spot prizes of x5 Suzuki DF2.5 Outboards Winners to the following teams:

Dougie
Relief
Just Kroozing
Beerly Legal
Machali

Congratulations to all the anglers/teams that participated

KID'S WHARF FISHING

28th December 2024

The Fishing Competition on Whitianga Wharf was a blast – with over 170 entries.

The children caught kahawai, spotties, starfish and mussels (most put back). Every entrant received a goodie bag, proudly sponsored by New World Whitianga. Ahri Graves was the overall winner with the biggest catch, a kahawai.

Thank you to the many local businesses who donated money and prizes. We could not host this day with your contributions.

GIRLS IN THE BAY AND LADIES' BLUE TOURNAMENT

December 1st 2024 - January 27th 2025

This year we encouraged all entries into the Girls in the Bay tournament to join the Ladies Blue Competition by automatically entering them in both comps!

Entries were slightly down with 82 boats and 221 anglers, yet still a fantastic turnout.

We were blessed with above average weather conditions compared to other years, a bit of a slow bite day for fishing, nevertheless the ladies had a fabulous day, complete with a packed prizegiving ceremony, dress up competition and live band. A huge thank you to our tournament sponsors for amazing prizes!

GARMIN TRAILER BOAT TOURNAMENT

5th February – 8th February 2025

Thanks to all participants of the 2025 Garmin Trailer Boat Tournament! It was fantastic to have this event back on the club's calendar. The weather was perfect for all three days, resulting in a lot of fish being caught.

By far the standout species was Yellowfin Tuna with 93 fish confirmed as boated, but we also know of many more caught that weren't reported. Snapper, Kingfish, and Kahawai were also abundant, with some impressive catches winning these sections. Marlin and Broadbill were caught, but none met the required weight. As a result, the heaviest fish in these categories received drawn prizes, making a couple teams very happy at the prizegiving. There were Marlin and Broadbill Tagged meaning the points section was won.

As always, our events can't happen without the generous contributions from our sponsors, big and small. A huge shout out and thanks to the following companies and individuals who donated prizes. Garmin, Fuel 2U, Whitianga Ice, Okuma, Rapala, Hella, Yamaha, The Bait Guy & Seawork, Whitianga Concrete Pumps, Fish Art. A2B signs.

Congratulations to the winners.

BREAKING NEWS!

THE MBGFC ANNOUNCES THE "CENTENNIAL MARLIN FISHING TOURNAMENT" RUNNING FROM 26TH FEB - 1ST MARCH 2025.

The Mercury Bay Swordfish and Mako Shark Club (now the MBGFC) weighed its first ever Marlin on the 26th of February 1925, by angler Mr. E.E (Chad) Chadban. The fish was a Striped Marlin, weighing 300lb.

Past committees were well aware of this upcoming 100-year milestone and that this event that needed to be marked. The existing committee has continued to share this belief, and the decision has been made to hold a Centennial Marlin Tournament.

The tournament will commence exactly 100 years from the day that first Marlin was weighed back in 1925, ending on March 1st with a prize-giving ceremony and special dinner at the club.

The tournament will be fished for Striped, Blue, and Black Marlin only, under 2 categories: Heaviest Marlin and Champion T&R Team. The entry fee for this tournament is to be \$100 per boat - \$1 for each of the past 100 years.

The MBGFC will commission a special Centennial Trophy, to remain prominently in the clubroom, forever honouring the winning team(s) of this tournament. All teams competing will have their boat names on the Trophy as a forever reminder.

The Saturday night prize-giving and special dinner will be a spectacular event, with teams encouraged to dress up in period clothing. The \$100 entry fee will contribute towards the commission of the Trophy and special dinner.

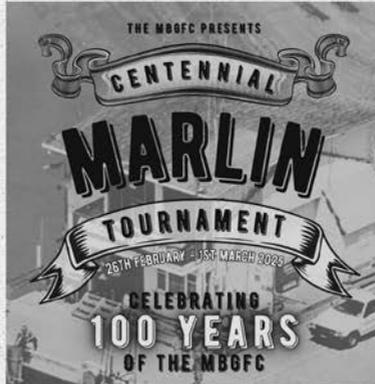

ENTRIES FOR THIS ONCE IN A LIFETIME TOURNAMENT WILL BE AVAILABLE SOON...

CENTENNIAL MARLIN FISHING TOURNAMENT

26TH February - 1st March 2025

What a memorable week we had celebrating our club's 100 years!

The weather played ball and all four days were fine and fishable. Unfortunately, the Marlin were not plentiful, and we had only one Marlin weighed on 26th February. This was exactly 100 years to the day when the first Marlin was weighed in Whitianga.

Bryce Hooton, fishing on his boat Andiamo decided to fish "old school" like they did 100 years ago and dedicated all four days to live baiting. He was rewarded on day one with a very nice striped marlin that weighed 136.3kg and was the only Marlin weighed for the Tournament.

He followed that up on day four by tagging and releasing a stripy which gave him the overall win in both the weighed and points section, so claiming the trophy.

Other striped marlin were also tagged by Pete Mayer on "La Chica and Sherwin Lee on Kawaii.

The prize giving night was a great event, with many teams dressing up in period clothing. The car park was full of old classic cars giving a great vibe to the night.

Special mention was given to Sherwin Lee on his Tag and release Marlin, as at 84 years young it was a fantastic effort and 72 years since he caught his first Marlin.

Bryce Hooton gave an emotional speech and remembered all those past fishermen who had contributed to the club over the years and made him feel welcome in the club. It was also great that Bryce's skipper for days one and two was Bruce Ellwood, another family well known in the Whitianga area.

Bryce filled the Centennial cup with rum and encouraged everyone to share it, which most did.

A special moment was the presentation of Boy Smith's 1950s club blazer, a treasured piece of our history that we feel privileged to hold on to. Thank you to Richard, Jill and Jennifer for sharing this with us all. The club commissioned a commemorative lure too.

The prize giving was followed by a band, and the celebrations continued into the night. A great event from start to finish.

CELEBRATES 100 YEARS!

THE MBGFC DECLARES THE "CENTENNIAL MARLIN FISHING TOURNAMENT" A ROARING SUCCESS!

The Mercury Bay Swordfish and Mako Shark Club (now the MBGFC) weighed its first ever Marlin on the 26th of February 1925 by angler Mr E.E (Chad) Chadban. The fish was a Striped Marlin, weighing in at 300lb.

100 years down the line the MBGFC Centennial Tournament commenced on Wednesday 26th of February, 2025. The tournament fished for Striped, Blue and Black Marlin under 2 categories: Heaviest Marlin and Champion Team on Points.

Despite having an abnormally quiet season on the billfish front this year, day one of the tournament saw Bryce Hooten of team Andiamo land a Striped Marlin weighing in at 136.3kg, exactly 100 years to the day the first Marlin was weighed, at almost an identical weight! This fish went on to win the Heaviest Marlin Category. We could not have hoped for a better story for this 100 year celebration!

The Saturday night prize-giving and special dinner was a spectacular event, with teams dressed up in period clothing and enjoying an amazing spread! We also had an extremely special piece of MBGFC history generously donated by the Warwick family, with Richard, Jill and Jennifer presenting the club with Boy Smith's 1950s club blazer.

HUNTING & FISHING JUNIOR TOURNAMENT

12TH April - 26th April 2025

The Mercury Bay Junior Tournament continues to be a highly anticipated event for young anglers in the region, drawing enthusiastic participation from aspiring fishermen and fisherwomen.

Major Sponsor by Hunting and Fishing for the second consecutive year, the tournament offers impressive prizes that motivate participants to showcase their fishing skills, not to mention the dedication from local businesses and families that help make this event great.

The event features various categories, including kingfish, snapper, tuna, kahawai and trevally providing a comprehensive platform for juniors to test their abilities across different species.

Interestingly, the "small frys" out fished the older juniors in all categories, highlighting the impressive talent and determination of the youngest competitors. This unexpected outcome underscores the spirit of the tournament, emphasizing fun, skill development, and community engagement over mere competition.

The event fosters a supportive environment where young anglers can learn about sustainable fishing practices, share their passion for the outdoors, and build camaraderie with peers.

With the continued backing of Hunting and Fishing, the tournament is set to grow in popularity and prestige, encouraging more youth to get involved in fishing activities. The tournament's success this year promises even greater participation and memorable experiences for young anglers in the years to come.

The tournament catch of 116 fish comprised 6 kingfish, 37 kahawai, 12 trevally, 2 skipjack and 59 snapper

Another fantastic gate prize sponsored by Hunting & Fishing \$10,000 worth of gear, drawn winner was won by Charlotte Runciman fishing on Black Gold, congratulations.

Congratulations also to the winners of each species category

TOP TEN SNAPPER TOURNAMENT

31st May – 1st June 2025

A windy weekend saw a few less competitors this year in the MBGFC Top 10 Snapper competition sponsored by The Stunned Mullet and Okuma.

20 – 25 knot westerlies meant that many stayed close to the coast, but it didn't matter as some great Snapper were caught, and everyone had a good time.

A big thanks to Andrew and Lisa from The Stunned Mullet and Okuma for their support including the additional category prizes supplied by Okuma.

DELEGATE SPOTLIGHT: WARREN HARRIS

Warren Harris has salt in his veins and a lifetime of stories behind the rod. A long-time member of the Mercury Bay club, Warren brings experience, dedication, and a deep passion for the sport – especially when it comes to mentoring weighmasters across the country.

His go-to lure is a Redgill, and he's been known to put it to good use aboard his AMF 6M. One of those days? A 265.5kg blue marlin that took 10 hours to land – still a club record.

While others dream of distant destinations, Warren keeps it close to home. “Mercury Bay and the Bay of Plenty – nothing beats it.”

He joined for the camaraderie but stuck around to help guide the next generation, ensuring every weigh station runs with accuracy, fairness, and pride. A legend in his own right.

They secured the prestigious John Hough Memorial Trophy. Word has it that Blake is likely the youngest skipper on the smallest boat to win this trophy outside of Northland waters! 🏆

Maz also took out the NZ Champion for Striped Marlin and took 1st place in the T/R Striped Marlin section.

Way to go, Team Smuggler! We are proud of the hard work & effort you put in. And congrats to all the teams that represented our club in the Nationals. Despite a slow start due to the weather, 18 teams over 8 days gave it their all. 🎉

MERCURY BAY GAME FISHING CLUB ANNUAL PRIZEGIVING

20th September 2025

It was a great night last Saturday as the MBGFC celebrated its AGM and prizegiving. The prizegiving was well attended and it was great to see so many of our junior members in attendance. It is worth noting that 12 out of the 16 new club records set in the 24/25 season were won by juniors, a great effort.

Congratulations to all the winners – for more details on the prize winners and photos check out our clubs facebook page.

Also requiring a special mention is the team on Smuggler who represented the club during the NZ Sportfishing Nationals tournament. Blake Wilkins (skipper), Maz Dunn and Mason Norgrove won several sections of this prestigious “club v club” event including taking out the John Hough Memorial trophy for the team with the most points Striped Marlin, with Maz also taking out 1st place in the Striped Marlin tag and release section with 7 tagged Striped Marlin. This was a fantastic effort for such a young team in a trailer boat.

The lucky winner of the Sherriff Drainage Tagging Club was won by Heather Savill, she took away a great cash prize kindly donated by Sherriff Drainage who has supported this tagging initiative for many years. A huge thanks to Jason and Kirsten Sherriff.

The club is looking forward to an exciting 25/26 season with many tournaments planned, and some already sold out. Everyone is welcome to come and visit the club and share in our 100-year history.

Congratulations to all the winners – for more details on the prize winners and photos check out our clubs facebook page.

Notes to the Financial Statements

Mercury Bay Game Fishing Club Incorporated For the year ended 30 June 2025

1. Reporting Entity

Mercury Bay Game Fishing Club Incorporated is an incorporated society registered under the Incorporated Societies Act 1908. The Club offers recreational facilities and organizes competitions and tournaments in fishing. The club also provides opportunities for members to socialise.

2. Statement of Accounting Policies

Basis of Preparation

These special purpose financial statements have been prepared to report to Members.

Historical Cost

These financial statements have been prepared on a historical cost basis. The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services, excluding goods and services tax rebates and discounts, to the extent it is probable that the economic benefits will flow to the entity and revenue can be reliably measured.

Sales of services are recognised in the period by reference to the stage of completion of the transaction at the end of the reporting period.

Accounts Receivable

Accounts receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less an allowance for any uncollectible amounts. Individual debts that are known to be uncollectable are written off in the period that they are identified.

Income Tax

The entity is exempt for Income Tax.

Goods and Services Tax

All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

MERCURY BAY GAME FISHING CLUB

FISHING RULES

Definitions

Season	1 July – 30 June
Winter Season	1 July – 30 September
Fishing Area	NZ 200 mile EEZ
Local Waters	Waters within the MBGFC Tournament Boundaries
Weigh Station	Whitianga Wharf and MBGFC Clubrooms

Financial Members

Financial members are those whose subs for the current season have been received by the Club before they go fishing.

Day Membership

A \$15 daily fee entitles an angler to join the Club for a calendar day (from midnight to midnight).

To be eligible for day membership an angler must fill in a day membership form or if unavailable, the back of an envelope or piece of paper with the following information – *date(s) fishing, boat name, full name, address, phone/mobile number/s, birth date (if 16 or under), amount of payment, and signature*. This, with the appropriate fee must be put under the main door of the clubrooms or handed in to the club office **PRIOR** to leaving the wharf to go fishing .

Junior Anglers

Junior members cease to be junior anglers when they turn seventeen.

Skipper

The skipper is the person in command of a vessel and may or may not be the helmsman. The skipper may drive the vessel but may also be the angler.

Time of Catch

The skipper's recorded time of a fish being boated or tagged is deemed to be the time of catch.

Catch Cards

Must be completed fully and correctly with first and last name (not initials) before fish are presented to the Weighmaster.

Weighing of Fish

A fish may not be weighed at the MBGFC Weigh Station if it has already been weighed at another club.

Catch List

All fish weighed at the MBGFC Weigh Station. All tag and release cards handed in to the MBGFC Weigh Station.

Fish Caught Elsewhere by Members

Fish weighed at Weigh Stations in New Zealand other than MBGFC will be included in a separate list if catch cards are handed in signed by a weighmaster or charter boat skipper. Tagged & released fish when tag cards are handed in to other clubs may also be included on this list. Fish weighed overseas may also be included but they are ineligible for Club records.

Courtesy Weighing

Non MBGFC members may have their fish courtesy weighed at the MBGFC Weigh Station. The fish will be included in the MBGFC catch list,

Tag & Release of Fish

Broadbill, marlin, bluefin and yellowfin tuna, blue and mako sharks and kingfish (over 75cm) are subject to a MFish scientific tagging programme and will gain points towards season tallies for individual and boat trophies. A fully completed MFish tag card and a fully completed MBGFC catch card must be presented to a weighmaster along with gear for checking no later than twenty eight (28) days after the date of catch and by July 1.

Points for Tagged & Released Fish

Broadbill & Marlin	450	Yellowfin Tuna	100	Blue Sharks	25
Bluefin Tuna	200	Mako Sharks	50	Kingfish	25

Dredges, Daisy Chains etc.

- (i). Dredges, Spreader Bars, Outriggers, Downriggers and Kites may be used provided that the actual fishing line (NOT THE LEADER OR DOUBLE LINE) is attached to the snap or other release device.
- (ii). Daisy Chains, Birds, Bloats, and similar devices may only be used if they do not unfairly hamper or inhibit the normal swimming or fighting ability of the fish, thereby giving the angler or crew an unfair advantage in fighting, landing, or boating the fish.

Daisy Chains, Birds, Floats, and similar devices, when used with a hooked lure or bait must be presented to the weighmaster as they become part of the overall leader/trace/wind-on length rules.

- (iii). All such devices in (i) and (ii) above may be used strictly as a teaser.

Strikes (Single and Multiple)

- (i). When a strike occurs, the angler(s) must immediately remove the rod(s) from the rod holder(s), while the crew clear the rest of the gear.
- (ii). If the number of fish in a multiple strike equals or exceeds the number of people on the boat, gear may be cleared prior to fighting the fish.
- (iii). Once an angler has fought one fish from a multiple strike, whether that fish is caught or lost, they must not present a subsequent fish from the same multiple strike.
- (iv). Fish left on rod holders while others are fought must be self-disqualified.

Iki Spiking and Bleeding of Fish

Iki spiking and bleeding of fish is encouraged and is not classified as mutilation.

Transport of Fish

Fish may be transported to the Weigh Station by any method or combination of methods. It is the responsibility of the angler to ensure that fish arrive in good condition and are removed after weighing.

Line Testing

The angler must specify the breaking strain of the line used in a catch. If a line over tests it will be moved up to the appropriate line class. If it under tests it will not be moved down.

Charter Vessels

Vessels displaying a current MNZ number are deemed to be charter vessels for the purpose of awarding trophies unless the Club receives written notification that no charters are to be undertaken **BEFORE** the start of any season. No change to that status can be made during a season.

Commercial Vessels

Gamefish caught from commercial vessels are not eligible to count towards individual angler pins or trophies, or launch trophies, other than those designated for commercial vessels. They are eligible for Club records however. Commercial vessels are boats that are registered for the purpose of catching fish for sale. Commercial vessels that obtain a particular approval under Section 111(1)(a) of the Fisheries Act are deemed to be non-commercial for that period. The approval must be in the MBGFC office prior to going fishing.

Club Records

All financial members of the MBGFC are eligible to break existing or set new Club records for gamefish providing IGFA rules are observed.

Fish can be weighed at the MBGFC Weigh Station or elsewhere in New Zealand providing a courtesy weigh is carried out and the angler forwards a copy of the catch card to the MBGFC office. Gear must be submitted to a MBGFC weighmaster for checking unless the catch card clearly shows that this has been done by the weighing club. Fish **DO NOT** have to exceed the breaking strain of the line.

Pins

(Silver miniatures of the species caught)

All financial members of the MBGFC are eligible to be awarded pins providing IGFA rules are observed.

Fish can be weighed at the MBGFC Weigh Station or elsewhere in New Zealand providing a courtesy weigh is carried out and the angler forwards a copy of the catch card to the MBGFC office. Gear must be submitted to a MBGFC weighmaster for checking unless the catch card clearly shows that this has been done by the weighing club. Fish must not weigh less than the breaking strain of the line used. There is a minimum weight of 90kg for marlin.

Pins are awarded as follows:-

Light Tackle - includes 1, 2, 3, 4, 6, 8 and 10 kg line classes.

- (i). First fish of each species (all line classes combined)
- (ii). Heaviest fish of each species for season in each line class.

Heavy Tackle - includes 15, 24, 37 and 60kg line classes.

- (i). First fish of each species (all line classes combined)
- (ii). Fish increasing by 10kg (marlin and sharks) and 3kg (other species) throughout season.

Trophies

All financial members of the MBGFC are eligible to be awarded trophies providing IGFA rules are observed. Fish can be weighed at the MBGFC Weigh Station or elsewhere in New Zealand providing a courtesy weigh is carried out and the angler forwards a copy of the catch card to the MBGFC office. Gear must be submitted to a MBGFC weighmaster for checking unless the catch card clearly shows that this has been done by the weighing club.

Fish must be caught by MBGFC members to count towards boat trophies.

Fish **DO NOT** have to exceed the breaking strain of the line except for the awarding of the Somervell Cup, Peachey-Gardiner Trophy and Winter Trophy.

There is a minimum weight of 90kg for marlin.

Points Formula

$$\frac{\text{Fish Weight} \times 100}{\text{Line Weight}}$$
 e.g. 60kg fish on 24kg line earns 250 points
3kg fish on 6kg line earns 50 points

Light Tackle Tournament

If this tournament is not held in a season the Jackson Cup will be awarded to the vessel scoring the most points accumulated from their highest points scoring fish of each species caught on light tackle throughout the season.

IGFA Rules & NZSFC Rules & By Laws

Where not specifically covered by these rules all fish must be caught under the IGFA Rules and NZSFC Rules & By Laws. It is the responsibility of every angler to have a full understanding of these rules and to fish by them.

WIRE MAX GLOVES

The Gold Standard In Leader Gloves

AFTCO Wire Max salt water fishing gloves were designed using the expertise of Capt. Peter B. Wright, world famous big game skipper, author, and IGFA Hall of Fame member. This is the ultimate saltwater fishing glove for leadering big fish.

Closed cell EVA foam covered with super tough Armortex® wraps hand and lines palm, fingers and thumb to maximize protection when handling mono, wire or cable leaders. Durable Tacky-Grip palm and Spandura® fourchettes improves dexterity, while foam-backed mesh keeps fingers cool and protected. Wrap-around neoprene strap with Velcro® closure over woven cuff assures a secure fit and repels leader snags.
